June 7, 2022

PRELIMINARY CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES OF GERTRUDE AVENUE

RE: 2022 REGIONAL & LOCAL SIDEWALK RENEWALS AND ASSOCIATED WORKS

Please be advised that Gertrude Avenue from Osborne Street to Nassau Street North will undergo work this summer as part of the City of Winnipeg’s Traffic Engineering Improvement Program.

We appreciate the input of area stakeholders and have done our best to develop a design that considers all needs.

Preliminary information for this project is as follows:

Construction Start: July - September 2022
Duration: Approximately 2 weeks, weather permitting

The work on Gertrude Avenue will include:
- Pavement planing
- Speed table installation
- Raised pedestrian crossing
- Sidewalk renewal
- Catch basin/catch pit installation
- Asphalt overlay
- Boulevard restoration

A minimum of one lane of local traffic will be maintained at all times. On-street parking will be removed during construction. Pedestrian access to all properties will be maintained.

We will provide further information approximately one week before construction. If you have accessibility concerns, special access requirements, planned special events, known underground appurtenances such as lighting cables within the proposed construction area, or any other questions regarding this construction, please contact me at 204-918-4367 for further information.

Sincerely,

Erik Hansen, C.E.T.
Technology Services Branch
