May 10, 2022

PRELIMINARY CONSTRUCTION NOTICE

TO: RESIDENTS OF KEENLEYSIDE STREET

RE: 2022 LOCAL STREET RENEWAL PROGRAM - KEENLEYSIDE STREET FROM NAIRN AVENUE TO TALBOT AVENUE

Please be advised that the above street renewal project has been approved for construction this summer as part of the City of Winnipeg’s 2022 Local Street Renewal Program.

Preliminary information for this project is as follows:

**Construction Start:** June to August 2022
**Duration:** Approximately seven weeks, weather permitting

The work on Keenleyside Street will include:
- excavation of the existing roadway
- sewer repairs and new catch basins
- construction of a new asphalt pavement with concrete curb
- reconstruction of concrete approaches and sidewalks
- boulevard restoration

During construction, Keenleyside Street will be completely closed to traffic and parking will be removed. Motorists will be required to park their vehicles on a nearby street or back lane as properties allow. Pedestrian access to all residences and businesses will be maintained; however, sidewalks will be restricted to one side of the street at a time at various stages throughout construction.

We will contact you again one week prior to construction starting. Those with accessibility needs are asked to contact the City as per below. Should you have any questions or concerns about the project or traffic management at this time or during construction, please contact me at 204-805-0104 for further information.

Sincerely,

Richard Weibel, C.E.T.
