CITY OF WINNIPEG CONSTRUCTION NOTICE

RE: 2022 LOCAL STREET RENEWAL PROGRAM:
MOORE AVENUE-FROM RIVER ROAD TO ST MARYS ROAD

Construction start date: August 9, 2022
Duration: 6 weeks
Traffic impacts: Local Access Only

As part of this work, we will repair the pavement curb and sidewalk, then install a new asphalt overlay to improve drainage and rideability. Construction will happen in two stages.

Stage 1 will be from River Road to Dunkirk Drive. Stage 2 will be from Dunkirk Drive to St Mary’s Road.

Throughout construction, at least one lane of traffic and pedestrian access to residences will be maintained. Vehicle access to driveways will maintained as much as possible. Additional construction notices will be delivered one week prior to Stage 2 beginning.

We are asking anyone with accessibility needs, moving requirements, planned special events or known underground appurtenances (such as sprinkler systems, lighting cables, etc.) within 20 feet of the curb, to contact me at (204) 928-8431. We are also here to answer general questions about the project.

We apologize for the inconvenience and disruption construction will cause and appreciate your patience as we work to make your street better.

Sincerely,

Blair Cockrell
