CITY OF WINNIPEG CONSTRUCTION NOTICE

TO:       Residents

RE:  2019 Alley Renewals – The alley bounded by Waverley Street, Oxford Street, Corydon Avenue and Grosvenor Avenue

We wish to advise you construction of the above project has been sufficiently complete to allow the reopening of the alley to local traffic. As such, all garbage and recycling collection will immediately resume from the alley.

Please note that the reopening of the alley does not constitute completion of all the works. At various times over the coming weeks, Wintec Building Services will be present to complete any damage repairs, cosmetic and maintenance works, still required on the alley. Sod installations may not be completed until the 2022 construction season. Parking and utilizing driveways will not present a problem to any of the works left to be completed.

Once all works are fully completed, the Alley Renewal will be placed under a two (2) year warranty period, in care of the general contractor, Wintec Building Services.

We recognize that this project caused some inconvenience and disruption and appreciate your patience during construction. If you have any questions please contact Mr. Andrew Boboski of WSP Canada Inc at 204-477-7608 or by email at info.wpg@wsp.com, during regular working hours.

Sincerely,
WSP Canada Inc.

Cc: John Orlikow, Councillor – River Heights – Fort Garry Ward
