Permit required: YES NO

Neighbourhood Liveability By-law Application
 (Non-standard Boulevard Treatment)

Note: If the proposed non-standard boulevard treatment falls within the guidelines in the Boulevard By-law no.1/2008 (part 8) a permit is not required. A permit is required only when the proposed non-standard boulevard treatment does not comply with the guidelines in the By-law. The 2018 permit fee is \$43.05 including GST.

This application must be completed by the property owner and accompanied with a site plan (see checklist below). Accurate & complete information will assist with processing your application quickly.

General Information

Property owner: _____ Phone # _____
 Contact name: _____ Phone # _____
If different from Property Owner

Park Invoice Number _____

The applicant is responsible for adhering to all aspects of THE CITY OF WINNIPEG BY-LAW no.1/2008 (part 8). (Copy can be obtained from the City of Winnipeg website www.winnipeg.ca)

BY-LAW SECTIONS TO NOTE:

Authorization:

89(2) Prior to making any excavation in a boulevard, the owner or occupant of property must contact utilities and other underground structures to ensure that no underground structures will be disturbed or damaged by the proposed excavation.

89(4) Where a non-standard boulevard treatment results in the undermining or failure of the adjacent roadway, the owner of the property adjacent to the boulevard to which a non-standard treatment has been applied must pay a fee equal to the reasonable costs of replacing the non-standard boulevard treatment with turf.

100(2) Without limiting the generality of subsection (1), the designated employee may require as a condition of a permit, that the applicant:

- (a) Provide proof of insurance in any amount sufficient to compensate the City of Winnipeg or any other person for harm or damage suffered as a result of the permitted activity;
- (b) Provide a deposit of monies, bond or surety sufficient to compensate the City of Winnipeg for harm or damage suffered as a result of the permitted activity;
- (c) Indemnify the City against all loss, costs, charges or damages caused by or arising out of anything done pursuant to the permit;
- (d) Conduct the activity in a particular manner, at specified locations or at specified times;
- (e) Utilize certain persons or categories of persons to carry out specified aspects of the activity;
- (f) Provide details of plans for the activity before the permit becomes effective;
- (g) Provide evidence of compliance with applicable laws, by-laws, codes and regulations and/or with conditions imposed upon the permit;
- (h) Complete the activity by a specified date or within a specified period of time;
- (i) Obtain approval of owners of utilities that might be affected by the activity prior to the initiation of the activity; or
- (j) Construct hoardings or other protective structures;
- (k) Require inspections of the site prior to or during the activity permitted.

Powers of Designated Employees

107. Designated employees and enforcement officers to whom these powers have been delegated may conduct inspections and take steps to administer and enforce this By-law or remedy a contravention of this By-law and to provide services or do work in accordance with *The City of Winnipeg Charter* and, for these purposes, have the powers of a “designated employee” under *The City of Winnipeg Charter*.

Appeal from Order

104. **Appeals to Protection and Community Services Committee** - Subject to section 105, where an appeal from an order or decision under this By-law is authorized by The City of Winnipeg Charter, the appeal may be made to the Standing Policy Committee on Protection and Community Services in accordance with The City of Winnipeg Charter
