Design: Kildonan Settlers Bridge to Henderson Hwy.

- Shared-use path for pedestrians and cyclists.
- Lighting and wayfinding signage will be included along the path.
- Improving safety under the Kildonan Settlers Bridge by increasing visibility and lighting.
- 3.5 or 4.0 metre paved path.
- Connects to the adjacent apartment buildings and bus stops on the north side of Chief Peguis Trail.
- New rest Stop
- Future pathway connection.
