

WEST ALEXANDER TO EAST EXCHANGE CORRIDOR

CONTINUING THE EAST/WEST PEDESTRIAN AND CYCLING CONNECTION TO THE EXCHANGE AND DOWNTOWN

The City of Winnipeg is looking at options to improve the existing painted bike lanes on McDermot Avenue and Bannatyne Avenue to protected infrastructure so that they are comfortable for people of all ages and abilities. The public engagement process for this project began in February 2017 and documented input from stakeholders. We're looking to continue the conversation and get input on proposed design options.
