2. Yearly Sign-up Bonus	WAV Data	Yearly	\$200
3. Trips taken on a minimum 120 days per year available (average 10 per month)	WAV Data	Yearly	\$1000
4. Overnight shift premium (Note 2)	WAV Data	Yearly	\$500
5. Inspection rate of 100% on critical items (D409, securement, ramps) (Note 3)	VFH Enforcement	Yearly	\$500
Total Vehicle Incentives Available			Up to \$2,500

Note 1: Vehicle owners must have the vehicle on the road and active taking trips on a minimum 120 days (drivers must be WAV logged in) per year to qualify as an Active Vehicle. This will be prorated for the first year of the program based on the launch date, at the direction of the Manager of VFH. Vehicle owners may qualify for a single incentive, or any combination thereof once they are considered active.

Note 2: Vehicles must have taken 20 overnight trips in a year in order to qualify for the overnight shift incentive. Overnight hours are from **10PM to 4:59AM**.

Note 3: WAV are inspected at regular intervals and are expected to be maintained, especially as it relates to accessible safety equipment, in accordance with the VFH By-law & D409 standards. A vehicle should pass inspection of 100% of the time in relation to these items.

effective June 1, 2023
