### **Part B – Owner-Occupied Declaration**

I declare that I am the owner of this property and this property is occupied solely by my family.

I understand that I:

1. am requesting that recycling and garbage collection service be reduced to that of a single-family dwelling (one 240-litre garbage cart and one 240-litre recycling cart).
2. must inform the City in writing if there are any changes to the occupancy status at this property, or if there are any other changes to the information submitted in this application, within ten business days of the change.
3. am only entitled to the number of carts and the collection service for a single-family dwelling. Any additional carts that may have been delivered must be returned to the City.

### **Part C – Rental Property Declaration**

I declare that this is a rental property, and based on the current occupancy, require service for the equivalent of: \_\_\_\_\_ dwelling units.  
(number)

I understand that I:

1. am requesting a reduced level of recycling and garbage collection service based on the number of dwelling units noted above.
2. am only entitled to the number of carts and the collection service for the dwelling units noted above. Any additional carts that may have been delivered must be returned to the City.
3. must inform the City in writing if there are any changes to the occupancy status at this property, or if there are any other changes to the information submitted in this application, within ten business days of the change.

I understand that the City will:

1. inspect the premises and authorize an appropriate level of service based on actual use.
2. add an initial application fee of \$107 to my utility account.
3. add a \$34 administration fee to my utility account for every additional time I request a change in service within one year of the date of this application.
4. reject my application or cancel the reduced level of garbage and recycling service if:
  - my tenants do not have an adequate level of service,
  - garbage is accumulating on or adjacent to the property such that there is a violation of the City of Winnipeg Neighbourhood Liveability By-law, or,
  - there are public health concerns.
