

# WE'D LIKE YOUR FEEDBACK ON COMBINED SEWER OVERFLOWS!

***CSOs ARE TEMPORARY SEWER DISCHARGES TO THE RIVER DURING PERIODS OF HEAVY RAINFALL OR SNOW MELT. HISTORICALLY, COMBINED SEWER OVERFLOWS HAPPEN ABOUT 22 TIMES A YEAR IN EACH SEWER DISTRICT IN WINNIPEG.***

In order to satisfy provincial legislation, The City of Winnipeg is considering various options to limit overflows, protect the health of our rivers and lakes, and ensure affordability. Citizens can learn more about the options to reduce CSOs, and can provide their feedback on which option is best for our city.

CSO Master Plan

Please join us for one of the following public meetings at the West End Cultural Centre, 586 Ellice Avenue:

- \* **MONDAY, SEPTEMBER 14, 2015**  
**9-11 A.M., PRESENTATION AT 9:30 A.M.**
